Web Description	<p>This striking floor standing lantern pillar is great for making pathways or surrounding your outdoor lounge area. Standing over one metre tall, these hurricanes will create a dramatic light source and backdrop whilst you relax in your outdoor space. They are easy to use with the electric ignition, you'll be the new style guru in town! Available in black or teak wood, both styles are topped with a glass surround. The lantern comes complete with a 37mbar UK regulator. This lantern required a 5KG propane gas bottle (not included with the lantern).</p> <p>The cover is sold separately. You can order these with the below codes.</p> <p>Cosiscoop Pillar All Weather Protection Cover: 18-522-C</p>
