Web Description	<p>The Cosiloft 120 Round White And Teak Fire Pit is the perfect outdoor addition. Providing a stylish look and finished with a teak wood top and fresh white frame, this fire pit table is a functional addition as it provides additional table space for your drinks, whilst providing warmth with a real flame. Offering a unique round shape, this fire pit is a must-have. The Cosiloft 120 Round Fire Pit includes a 30 mBar regulator with a gas hose, ceramic logs, lava stones, a battery and a cover plate for the burner when not in use. This fire pit table takes a 5KG propane gas canister, available from your local gas canister supplier.</p> <p>This fire pit is also available in other colours. Whilst we do offer a weatherproof cover to fit the Cosiloft 120 Round Fire Pit, we would not recommend using these on the teak topped tables. Teak is a hardwood and as such, completely happy in the atmosphere and will age naturally and beautifully when left to the elements. As your Cosi product is completely weather proof, you can confidently leave it uncovered. The cover is sold separately.</p> <p>You can order these with the below codes.</p> <p>Cosiloft 120 Round All Weather Protection Cover: 18-538-C</p>
