Aerocover	18-539-C
Web Description	<p>The Cosipure 100 Square Black and Teak Fire Pit Table showcases a robust black aluminium frame and a natural teak top. No matter your garden style, this firepit will pair perfectly and provide a warming ambience in your outdoor space. The Cosipure 100 Square Fire Pit Table includes a 30 mBar regulator with a gas hose, ceramic logs, lava stones, a battery and a cover plate for the burner when not in use. This fire pit table takes a 5KG propane gas canister, available from your local gas canister supplier.</p> <p>Whilst we do offer a weatherproof cover to fit the Cosipure 100 Square Fire Pit, we would not recommend using these on the teak topped tables. Teak is a hardwood and as such, completely happy in the atmosphere and will age naturally and beautifully when left to the elements. As your Cosi product is completely weather proof, you can confidently leave it uncovered.</p> <p>The cover is sold separately. You can order these with the below codes.</p> <p>Cosipure 100 All Weather Protection Cover: 18-539-C</p>
