Web Description	<p>The Cosipure 120 Rectangular Black And Teak Fire Pit Table in Black And Teak will provide a contemporary finish in any outdoor space. This popular fire pit is a stylish and durable option as it is crafted from robust aluminium and finished with a natural teak top. This fire pit includes a 30mBar regulator with has hose, 3 ceramic logs, lave stones, battery and cover plate. The Cosipure 120 Fire Pit Table includes a 30 mBar regulator with gas hose, 4 ceramic logs, lava stones, battery and cover plate for the burner when not in use. This fire pit table takes a 5KG propane gas canister, available from your local gas canister supplier.</p> <p>Whilst we do offer a weatherproof cover to fit the Cosipure 120 Rectangular Fire Pit, we would not recommend using these on the teak topped tables. Teak is a hardwood and as such, completely happy in the atmosphere and will age naturally and beautifully when left to the elements. As your Cosi product is completely weather proof, you can confidently leave it uncovered.</p> <p>The cover is sold separately. You can order these with the below codes.</p> <p>Cosipure 120 All Weather Protection Cover: 18-540-C</p>
