<b>Web Description</b>	This beautifully proportioned foxed mirrored glass and velvet console table adds a touch of decadence to any interior. It works well as a stand-alone piece or adds further impact to a room when coupled with other pieces in the range. The fusion of the foxed glass and velvet is the perfect combination for a contemporary, yet classic piece of furniture. The mirrored glass creates, reflects and enhances light around the room, while the velvet softens the mirrored glass to create a striking piece of statement furniture.
